

Experience your commute from a new perspective. Hop on your bike and pump new life into your life, and the world around you.

*perspective*

Enjoy the feel-good satisfaction of riding, and the knowledge that even in this small way, you do make a difference.

JOIN THE GREEN BIKE PROJECT

Has your current commute lost its charm? The Green Bike Project offers you a unique opportunity to experience your commute from a new perspective.

An award-winning fully equipped green bike — plus bike safety training and the support of your employer and fellow Green Bike Project members — is yours for commuting! Join the Green Bike Project by pledging to reduce your drive alone commute trips by bicycling (or biking to connect to the bus, train, ferry, carpool or vanpool) and we will show how easy and fun it is to make a positive difference in your life and the life of the planet. If you already own a bike, we will tune it up and enter you into a drawing for a \$1,000 REI gift card! With either a new green bike or your renewed bike, you can join the Green Bike Project and gain perspective on your commute. The Green Bike Project is sponsored by Cascade Bicycle Club, REI, King County Metro, the cities within King County and Washington State Department of Transportation.

To sign up or for additional details, contact your Employee Transportation Coordinator.
